

360° Fixed Income Research for Wealth Managers

Bond research from every angle

For decades, Standard & Poor's® and S&P Capital IQ™ have been synonymous with providing fixed income credit ratings and market insight, respectively. Now, combining the assets of both businesses, S&P Capital IQ has developed a fixed income research offering designed specifically for wealth managers. With S&P Capital IQ's Fixed Income Research for Wealth, you will be able to keep pace with readily changing markets, and more importantly, dedicate more time to developing client relationships and growing your business.

DESIGNED TO ALIGN WITH
YOUR WORKFLOW AND
INTEGRATE WITH YOUR
INVESTMENT STYLE.

THE S&P CAPITAL IQ ADVANTAGE

Without understanding both the issue and the issuer, you're not seeing the broad picture.

In one concise report, S&P Capital IQ provides insight into the risk profile of the bond's issuer, and offers a breakdown. This detailed analysis outlines the relative quality of the bond and the issuer against its peer group, complemented by S&P Capital IQ equity recommendations, and a timely discussion of sector trends.

SECURITY-LEVEL RESEARCH UPDATED DAILY

Selecting and incorporating fixed income securities into client portfolios can be complex. Each client has needs that range from filling an asset allocation gap, to developing an income stream that lasts through retirement. Our research can help you analyze the risk/return tradeoffs for your clients.

With security-level research, covering over 550,000 US Corporate and Municipal bonds, you will have up-to-date information that provides concise, relevant and client-friendly research including market data, terms and conditions, evaluated prices, credit default swap spreads and market commentary.

The sample report shown is for illustrative purposes only

CONCISE RESEARCH REPORTS

- Concise, security-level fixed income research reports updated daily
- User-friendly signals that outline the risk-reward tradeoffs of each bond versus its peers and the entire S&P rated universe
- Detailed peer tables and yield curves that facilitate comparisons with like issuers and bonds
- Comprehensive, forward-looking views of risk including credit ratings analysis, credit default swap history and calculated probability of default
- Over 550,000 research reports covering US Corporate and Municipal bonds

Our Fixed Income research is available on S&P Capital IQ's proprietary platform, MarketScope® Advisor, BondWorks' BondDesk platform, as well as through feeds, and on several third party platforms.

MARKET INTELLIGENCE FOR WEALTH MANAGERS

S&P Capital IQ is a leading provider of data and analytics for global financial professionals. We help our clients identify potential investment opportunities, and unique insights by providing them with deep information on asset classes, companies, markets, and people along with powerful applications for desktop research and analysis.

ABOUT S&P CAPITAL IQ'S DISTRIBUTORS' DISCLOSURES

S&P Capital IQ's Bond Reports ("Research Reports") have been prepared and issued by S&P Capital IQ and/or one of its affiliates. In the United States, Research Reports are prepared by Standard & Poor's Investment Advisory Services LLC ("SPIAS") and issued by Standard & Poor's Financial Services LLC ("S&P"). SPIAS is authorized and regulated by the U.S. Securities and Exchange Commission; in the United Kingdom, Research Reports are issued by McGraw-Hill Financial Research Europe Limited ("MHFRE"), which is authorized and regulated by the Financial Conduct Authority and trades as Standard & Poor's; in Hong Kong, Research Reports are issued by Standard & Poor's Malaysia Sdn Bhd ("S&PM"), which is regulated by the Hong Kong Securities Futures Commission; in Singapore, Research Reports are issued by McGraw-Hill Financial Singapore Pte. Limited ("MHFSPL"), which is regulated by the Monetary Authority of Singapore; in Malaysia, Research Reports are issued by Standard & Poor's Malaysia Sdn Bhd ("S&PM"), which is regulated by the Securities Commission of Malaysia; in Australia, Research Reports are issued by Standard & Poor's Information Services (Australia) Pty Ltd ("SPIS"), which is regulated by the Australian Securities & Investments Commission; and in Japan, Research Reports are issued by McGraw-Hill Financial Japan KK, which is registered by Kanto Financial Bureau.

S&P Capital IQ or an affiliate may license certain intellectual property or provide pricing or other services to, or otherwise have a financial interest in, certain issuers of securities, including exchange-traded investments whose investment objective is to substantially replicate the returns of a proprietary index of S&P Dow Jones Indices, such as the S&P 500. In cases where S&P Capital IQ or an affiliate is paid fees that are tied to the amount of assets that are invested in the fund or the volume of trading activity in the fund, investment in the fund will generally result in S&P Capital IQ or an affiliate receiving compensation in addition to the subscription fees or other compensation for services rendered by S&P Capital IQ. A reference to a particular investment or security by S&P Capital IQ and/or one of its affiliates is not a recommendation to buy, sell, or hold such investment or security, nor is it considered to be investment advice.

S&P Capital IQ and its affiliates provide a wide range of services to, or relating to, many organizations, including issuers of securities, investment advisers, broker-dealers, investment banks, other financial institutions and financial intermediaries, and accordingly may receive fees or other economic benefits from those organizations, including organizations whose securities or services they may recommend, rate, include in model portfolios, evaluate or otherwise address.

S&P Capital IQ, its affiliates, and any third-party providers, as well as their directors, officers, shareholders, employees or agents (collectively, "S&P Parties") do not guarantee the accuracy, completeness or adequacy of this material, and S&P Parties shall have no liability for any errors, omissions, or interruptions therein, regardless of the cause, or for the results obtained from the use of the information provided by the S&P Parties. S&P PARTIES DISCLAIM ANY AND ALL EXPRESS OR IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY, SUITABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE. In no event shall S&P Parties be liable to any party for any direct, indirect, incidental, exemplary, compensatory, punitive, special or consequential damages, costs, expenses, legal fees, or losses (including, without limitation, lost income or lost profits and opportunity costs) in connection with any use of the information contained in this document even if advised of the possibility of such damages.

Ratings from Standard & Poor's Ratings Services are statements of opinion as of the date they are expressed and not statements of fact or recommendations to purchase, hold, or sell any securities or to make any investment decisions. Standard & Poor's assumes no obligation to update its opinions following publication in any form or format. Standard & Poor's ratings should not be relied on and are not substitutes for the skill, judgment and experience of the user, its management, employees, advisors and/or clients when making investment and other business decisions. Standard & Poor's rating opinions do not address the suitability of any security. Standard & Poor's does not act as a fiduciary. While Standard & Poor's has obtained information from sources it believes to be reliable, Standard & Poor's does not perform an audit and undertakes no duty of due diligence or independent verification of any information it receives.

S&P Capital IQ keeps certain activities of its business units separate from each other in order to preserve the independence and objectivity of their respective activities. As a result, certain business units of S&P Capital IQ may have information that is not available to other S&P Capital IQ business units. S&P Capital IQ has established policies and procedures to maintain the confidentiality of certain non-public information received in connection with each analytical process.

Standard & Poor's Ratings Services does not participate in the development of Research Reports. Standard & Poor's may receive compensation for its ratings and certain credit-related analyses, normally from issuers or underwriters of securities or from obligors. Standard & Poor's reserves the right to disseminate its opinions and analyses. Standard & Poor's public ratings and analyses are made available on its Web sites, www.standardandpoors.com [free of charge], and www.ratingsdirect.com and www.globalcreditportal.com [subscription], and may be distributed through other means, including via Standard & Poor's publications and third-party redistributors. Additional information about our ratings fees is available at www.standardandpoors.com/usratingsfees.

The Research Reports use evaluated pricing provided by Standard & Poor's Securities Evaluations, Inc. (SPSE) and credit ratings provided by Standard & Poor's Ratings Services. SPSE is part of S&P Capital IQ. SPSE is registered as an investment adviser with the U.S. Securities and Exchange Commission, and its advisory services include evaluated pricing. Valuations are opinions and not statements of fact or recommendations to purchase, hold or sell any security or instrument, or to make any investment decisions. Credit rating criteria and scales may differ among credit rating agencies. Ratings assigned by other credit rating agencies may reflect more or less favorable opinions of creditworthiness than ratings assigned by Standard & Poor's Ratings Services.

Each Research Report is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or which would subject S&P Capital IQ or its affiliates to any registration or licensing requirements in such jurisdiction.
